International English Speaking Community

PHNOM PENH, CAMBODIA

To Our Partners and Friends in the Community,

It is with great joy and confidence that I offer my endorsement of the Conference of the Society of St. Vincent de Paul (SVDP), English Community, operating under the auspices of the English Speaking Community - St. Joseph Catholic Church in Phnom Penh.

Our community is situated in a vibrant yet challenging area of Cambodia, where many individuals and families endure hardship, illness, displacement, and poverty. The members of the Society of St. Vincent de Paul (SVDP) undertake their charitable work within our parish community, responding to the needs of the poor, migrants, and vulnerable with humble and dedicated service, accompanying them with compassion and respect.

Through their work, they provide practical assistance—such as food support, housing assistance, medical aid, and support for migrants, asylum seekers, and victims of human trafficking—and help individuals facing urgent crises. Equally important, they offer companionship, guidance, and a renewed sense of dignity to those who often feel forgotten.

I have witnessed firsthand the integrity and commitment with which this Conference carries out its mission. Their work embodies the Christian call to serve those most in need and to uphold the dignity of every person. I warmly encourage those who are able to support this mission, so that it may continue offering hope, stability, and relief to many.

May the peace of Christ be with you.

Sincerely in Christ,

Fr. Pedro Ramírez Ramos, P.M.E
